Your Honour,

I am a Federal Prisoner with a serious medical condition. I have an open colostomy, since my arrival at Reeves County Detention Center III. I have been trying to get the proper medical care that I need, but to this day I have not received it. After complaining on numerous occasions, I was given conflicting stories by the Warden of this Correctional Facility telling me they were going to send me to an outside specialist for the surgery but this never happened.

These are violations of my Constitution and Civil Rights as well as the American with Disabilities Act.

For all the above reasons, I have been on a hunger strike since August 11, 2014.

I have been placed in solitary confinement for no apparent reason.

no Incident Report

No Incident Location.

No Charge.

I am a Federal Inmate with serious medical problems, I have a Colostomy with a Hernia inside.

I request the Administration to appoint me a Legal Counsel to Investigate the alleged incident.

I refuse to partake in any meals that's been served as well as my medication.

This is a distress call for help by a Federal Prisoner who have been deprived by this Prison Authority from access to Court and legal material in the Segregation Unit. As such I would appreciate if you could give a Docket number to this complaint Letter as a formal Civil Suit Against Defendants.
